THE NOVEMBER VERDICT.

REPUBLICAN GAINS IN ALL DIRECTIONS

THE GREAT STATES SAFELY REPUBLICAN. NEW-YORK, PENNSYLVANIA, MASSACHUSETTS AND CONNECTICUT VOTE TO REBUKE CIPHER FRAUD -TAMMANY BADLY BEATEN IN NEW-YORK-BUILER DEFEATED BY 40,000 PLURALITY-CONNECTICUT DEFEATS BARNUM-THE DEMO-CRATIC MAJORITY IN THE NEXT CONGRESS ONLY

The returns show emphatic Republican gains in all parts of the Union except the solid South. In New-York City the Anti-Tammany-Republican combination ticket was elected by about 17,000 majority. The Republicans have gained seven Congressmen in New-York State and have elected their candidate for the Court of Appeals by about 15,-000 majority.

Pennsylvania has been carried by the Republicans by a plurality estimated at 25,000 or 30,000. The Legislature is strongly Republican, and Senator Cameron's election is thought to be assured. The Democrats have lost one Congressional District which was carried by the Greenback candidate.

Massachusetts has defeated Butler by a plurality which is placed as high as forty thousaud. The Republicans have a solid Congressional delegation with the exception of two district,s one of which has been carried by a

In Connecticut there is no election for Governor by the people. The Republican candidate has a plurality, but not a majority over all, which is necessary to constitute an election in that State. The Legislature is Republican by an increased majority, which secures a Republican successor to Senator Barnum and a Republican Governor. Two Republican Congressmen have been gained, General Hawley in the 1st District, and Frederick Miles in the IId.

There have been two Republican Congressman gained in New-Jersey.

New-Hampshire is completely Republican. Natt Head is elected Governor, the three Congressmen are Republicans and the Legislature is Republican, securing a Republican United States Senator.

In the West the Greenback movement has had no perceptible effect. Michigan, which was expected to elect at least two Greenbackers, sends a solid Republican Congressional

The South is solidly Democratic, with a few possible exceptions.

The next Congress is likely to have about thirty Democratic majority. In the Senate tne Democratic majority will be eight.

ALABAMA.

AN INDEPENDENT CONGRESSMAN. COLUMBUS, Ga., Nov. 5 .- In the HIId Alabama

District, W. J. Stamford (Dem.) is elected. He had little opposition. William H. Forney (Dem.) is reelected in the VIIth District. William M. Lowe (Independent) beats William W. Garth (Dem.) in the VIIIth District, by 1,000 majority.

ARKANSAS.

DEMOCRATS CLAIM EVERY DISTRICT. LITTLE ROCK, Ark., Nov. 5 .- To-day has been one of the most quiet elections ever known in this State; very little interest was manifested. There is a falling off in the vote of this city of nearly 1,000 since the last election. In this city, Rice (Greenbacker) has 507 majority. This county, Pulaski, will be carried by Rice by more than 1,000 majority. The general impression is that Craven (Dem.) elected in this, the HIId District, but by a greatly reduced majority. The Democrats are confident of the election of the other Democratic candidates in the other districts.

CONNECTICUT.

A COMPLETE REPUBLICAN VICTORY. THE REPUBLICANS GAIN TWO CONGRESSMEN AND INCREASE THEIR MAJORITY IN THE LEGISLA-TURE-NO CHOICE OF GOVERNOR BY THE PRO-PLE-THE REPUBLICAN PLURALITY ABOUT 2,500. IBY TELEGRAPH TO THE TRIBUNE.

HARTFORD, Conn., Nov. 5 .- The election to-day passed off very quietly and a full vote was polled. The Greenback vote is about half as large as the party claimed before election, aggregating less than 9,000. It drew its strength almost entirely from! the Democrats, leaving the Democratic candidates in a minority on the popular vote. In the small and close towns, the Democrats, aided by Senator Barnum's money, made their most desperate efforts; but there was no lack anywhere of hard work to carry the Legislature, so as to secure their State ticket and the United States Senator. The Republicans, on the other hand, had barely money enough to pay the most necessary campaign expenses, but the canvass has fairly run itself, and the Republicans have, in spite of adverse circumstances,

won a handsome victory. Charles B. Andrews, the Republican candidate for Governor, has a plurality of about 2,500. As a majority is required to elect, the election will be

thrown into the Legislature. Joseph R. Hawley (Rep.) has about 2,300 majorify in the 1st Congressional District over George M. Landers, the present Democratic member. James Phelps (Dem. and Green.) is reëlected in the Hd District by a majority; John T. Wait (Rep.) is reflected in the HIId District by a majority. Frederick Miles (Rep.) is elected in the IVth District by about 1,200 majority. This is a Republican gain of two Congressmen. General Hawley made a splendid run in his district, leading his ticket every-

The Legislature is Ropublican in both branches, the House by about the same majority as last year. when it was 27. They gain two Senators, one in the With and one in the Xth District, and lose one in the XXth-a net gain of one. This assures the election of Republican State officers and a United

A noticeable effect of the Greenback division is

seen in Hartford, where two Republican State Representatives were elected, and in New-Haven, which elects one Republican and one Democrat.

DELA WARE.

DEMOCRATIC TICKETS ELECTED. WHARROTON, Del., Nov. 5 .- John W. Hall (Dem.) has been elected Governor. Edward Martin (Dem.) is elected to Congress. The Republicans rau no candidate for either of the above offices, the only opposition being Greenbackers. The Republicans ran a county ticket in Newcastle County, but without success. It was expected that the Greenbackers would have developed some strength in Sussex County, but returns received so far indicate that they offered no material opposition. In Kent County the Democratic ticket was unopposed. Altogether the election passed off very quietly. There was very little excitement, and the vote was light.

FLORIDA.

TWO DEMOCRATS TO CONGRESS. SAVANNAH, Ga., Nov. 5.—Special dispatches to The Morning News from Florida, indicate the elec tion of Noble A. Hull and R. H. M. Davidson (Democrats) to Congress. The election was very quiet and an average vote

NEW-YORK, WEDNESDAY, NOVEMBER 6, 1878.

was polled. This (Duval) county, the largest in the district, gives a large majority for Bisbee (Rep.) for Congress, but it is believed that Hull (Dem.) will be elected. In Madison County at sundown, when the polls should have closed, 400 people had not voted, and voting was still going on at last accounts. This may complicate matters by an appeal to the courts. From the other district only a few returns have been received, but there is no doubt of the election of Davidson (Dem.)

GEORGIA.

THE CONGRESSMEN ALL DEMOCRATS.

Augusta, Nov. 5 .- The vote in the VIIIth District is small. About 1,000 votes were polled in this county for Alexander II. Stephens. Returns from other districts come in slowly. The following Congressional candidates are probably elected: Ist District, J. C. Nichols; Hd District, William E. Smith; HId District, P. Cook; Vth District, N. J. Hammond; VIth District, J. H. Blount; VIIIth District, A. H. Stephens : IXth District, J. A. Billups, all Democrats; and Henry Persons in the IVth District and William H. Felton in the VIIth, both Independent Democrats. The official count may change the VIIth and IXth Districts and result in the election of G. N. Lester, Democratic nominee in the VIIth, in place of William H. Felton, Independent Democrat, Emory Speer, Independent Democrat, will run J. A. Billaps very close in the IXth District. Henry Persons, Independent Democrat, is elected over H. R. Harris, the present member, by from 500 to 1,000 majority. Mr. Persons is in-

clined to the Greenback party.
Mr. Helton (Independent), in the VIIth District, is running behind. Mr. Lester (Dem.) is probably elected by a small majority.

NO OPPOSITION TO A. H. STEPHENS. AUGUSTA, Nov. 5 .- The vote in the VIIIth District is light. Alexander II. Stephens is reclected to Congless without opposition.

ILLINOIS.

REPUBLICANS GAIN ONE CONGRESSMAN. CHICAGO, Nov. 5-11 P. M.-At this hour the indications are that the Republicans have carried the entire county ticket, and elected their three Cengressmen in the city-a gain of one Congressman. The returns generally show Republican gams. in eighteen precincts, Kern for Sheriff has 1,811, and Hoffman 2,217. In the 1st Congressional District, three precincts give Aldrich (Rep. 331, Doolittle (Dem.) 93. In the Hd District, nine arceincts give Davis (Rep.) 1,468, Kehoe (Dem.) 1,067. In the HId District, five precincts give Barber (Rep.) 749, Tree (Dem.) 545.

REPUBLICAN MAJORITY 1,400 IN FORTY-NINE TOWNS.

CHICAGO, Nov. 5 .- Returns received here from forty-nine towns and precincts in Illinois show the following vote on State Treasurer: Smith (Rep.), 6,223; Conkrite (Dem.), 3,571; Bates, (Greenbacker), 1,212. The vote on Congressmen will vary only a trifle from these figures. In this city, the returns from nine precincts give Hoffman (Rep.) for Sheriff 1,013; Kern (Dem.) for Sherifi

KENTUCKY.

MR. BLACKBURN'S MAJORITY. LEXINGTON, Nov. 5 .- J. C. S. Blackburn (Dem.) for Congress from this district, is reëlected by about 8,000 majority.

LOUISIANA.

NEW-ORLEANS DEMOCRATIC BY 15,000. New-Orleans, Nov. 5 .- The indications now are that E. A. Burke, the Democratic candidate for State Treasurer, is elected by probably 25,000 majerity. All the Democratic Congressional candidates, except probably Acklen, in the IIId District, are elected. Isaac W. Patton, Democratic candidate for Mayor of this city, is elected by about 15,000 majority. The remainder of the Parish and eity ticket is so badly scratched that it will require the official count to determine the result. The colored veters supported the citizens' ticket almost solidly. The Nationals cast a very small vote. THE STATE DEMOCRATIC BY 50,000-ALL THE

OCRATIC CONGRESSMEN ELECTED. NEW-OBLEANS, Nov. 5 .- Morehouse Parish goes Democratte by 1.400 majority; very few Republicans voted. Lincoln Parish gives 1,400 majority for the Democrats; there was no Republican ticket in this parish. Ouachita Parish gives 2,500 Democratic majority. At Trenton, La., the negroes voted openly and solidly with the Democrate; the latter carry this precinct by 470 majority. In Caddo Parish the entire Democratic ticket is elected by a large majority. United States District-Attorney Leonard, who has been leading the Republicans in the canvass in Caddo, finding there was no chance for that ticket, called off the colored men from the polls early in the day and gave up the fight. Webster Parish gives the Democrats about 500 majority, and their majority is very large in Bossier Parish.

The indications are that the Hop. Joseph B. Elam. Democrat, will not have less than 10,000 majority in the IVth Congressional District. Natchitoches Parish gives him a solid vote of nearly 3,000 for the Democratic ticket. Few Republican votes were polled in Red River Parish. E. A. Burke, Demo erat, for State Treasurer, will probably have a majority in the State of 50,000. The six Democratic Congressional candidates are all surely elected by large majorities.

MARYLAND.

THE BALTIMORE CONGRESSMEN.

BALTIMORE, Nov. 5 .- Full returns from the HId Congressional District, composed of the first nine wards of this city, give William Kimmel (Dem.) 11,472; J. R. Thompson (Gbk. and Ind.), 4,908 Kimmel's majority, 6,564.

Full returns from the IVth Congressional District omposed of the other wards of the city, excepting the Seventeenth, which is included in the Vth District, give Robert M. McLane (Dem.), 11,064: John C. Holland (Rep.), 6,671; William S. Quigley (Gbk.), 628; L. S. Gittings (Ind. Dem.), 398; Mc Lane's majority over Holland, 4,393; over all, 3,311.

The Seventeenth Ward gives Eli J. Henkle (Dem.) (in the Vth District), 1,180 over J. Perrin Crane

A REPUBLICAN CONGRESSMAN GAINED.

BALTIMORE, Md., Nov. 5 .- 11 P. M .- In this city the election passed off with comparative quietness except in a few cases. The Hon. William Kimmel, Democrat, for Congress in the HIId District, is elected by 6,564 majority. In the IVth District, the Hon. Robert McLane, Democrat, is elected by 4,893 majority.

In the Vth District Dr. E. J. Henkle, Democrat, as far as heard from has 2,415 majority, which will probably overbalance the Republican majority in the counties to be heard from and secure his elec-

In Frederick County the estimated majority for Urner, Republican, for Congress, is 1,200. The Maryland delegation will stand five Demo erats and one Republican, a gain of one member for

The Republicans will have a larger majority in the Assembly elected yesterday than in any Assembly elected since 1872, and it may exceed the number chosen in that year, when niney-one Republican members were elected. Returns so far received indithe election of more than ninety Republicans. Solid Repulican delegations are chosen in Albany, Rensselaer Erie, o Onondaga, Dutchess, St. Lawrence, Cayuga, Niagara, Ontario and other coun-Thomas Murphy, Republican, is elected to the Senate from this city. The Republican majority on joint ballot will hardly fail below 68. General Husted and General George H. Sharpe are elected.

The Republicans have gained seven members of Congress-D. O'Reilly, IId District : Edwin Einstein, VIIth; Levi P. Morton, XIth; Alexander Smith, XIIth; John Van Voorhis, XXXth; Richard Crowley, XXXIst; R. V. Pierce, XXXIId. The Congressional delegation will stand 24 Republicans to 6 Democrats. General Ketcham received the largest Republican majority-8,400. Messrs Camp, Hiscock, Dwight, Pierce and Crowley also received large majorities. There were heavy Republican gains in almost every District.

Returns on the State ticket are comparatively incomplete; but 137 towns have been heard from, which last year gave a Republican majority of 5,564, and this year increase it to 11,648. A similar gain throughout the State would elect Mr. Danforth by from 15,600 to 20,000.

NOT A SINGLE ONE OF ITS COUNTY TICKET BLECTED -ONLY TWO OF ITS CONGRESSIONAL NOMINEES RETURNED-FOUR REPUBLICAN AND TWO ANTI-TAMMANY CONGRESSMEN ELECTED-COOPER'S MAJORITY 19,361-A GAIN OF FIVE REPUBLICAN ASSEMBLYMEN-GUNTHER BEATEN FOR SENATOR IN THE VIITH DISTRICT BY THOMAS MURPHY-BRADLEY'S MAJORITY OVER DANFORTH IN NEW-YORK COUNTY 35,804.

The election yesterday resulted in the complete overthrow of the Tammany Hall candidates on the main ticket, and a serious loss to them in Congressmen and Assemblymen. The majority over their candidates on the county ticket is generally about eighteen thousand. That of Edward Cooper over Augustus Schell is precisely 19,361. Mr. Cooper ran slightly ahead of his ticket (excepting Mr. Ellinger), the Republicans giving him their full vote, while the Anti-l'ammany Democrats have not fully redeemed the promises to support the three Republicans on the same ticket. Mr. Schell ran behind his associates on his ticket for some reason not clearly apparent at this writing, while Mr. Gunning S. Bedford, whom it was anticipated the Tammany Democrats themselves would cut, ran very considerably ahead of the rest of his ticket. Mr. Cowing's majority is less than that of Mr. Cooper, Mr. Phelps or Mr. Ellenger, but still reaches the respectable figure of 17,439.

Tammany's severest loss is in Congressmen. Muller, in the IVth District, was nearly beaten by an Anti-Tammany Democrat. Mr. Cox's majority, in a hopelessly Democratic district, has been reduced from 16,658 in 1876 to 4,404, Mr. Erustein, Republican, has defeated Mr. Eckhoff, Tammany Democrat, in the VIth District, by a small vote. General McCook has been returned in the VIIth District by a greatly increased majority. Fernando Wood is reported elected on a very close race in the VIIIth District. Mr. Potter, the Tammany candidate, has lost Mr. Hewitt's old district, to James O'Brien, an Anti-Tammany candidate. whom the Republicans generally refused to indorse, and finally Mr. Morton, Rep., has rescued the XIth District.

A State Senator has been gained in the VIIth District by the election of Thomas Murphy.

The Republicans have gained at least five Assemblymen in the Xth, XIIIth, XVIIth, XXIId and XXIst Districts. This gives a total Republican representation in the next Assembly of eight from this city.

The majority for Bradley, the Democratic candidate for the Court of Appeals, is 35,804 in this county; too small, it is believed, to enable him to carry the State. LOCAL CANDIDATES ELECTED. The following list of the candidates elected will in all probability prove absolutely correct, and re-
